Update report from Friends of Coreley – Telephone Box – Oct

Since the last update in September the works to the exterior of the ex-BT phone box have been concluded following the procurement of the gold paint for the crowns.

Operations undertaken in the period:

29/09/21 First coat enamel to crowns on the 3 visible elevations

06/10/21 Second coat enamel to crowns on the 3 visible elevations

This leaves the jubilee Library sign to be refixed.

A strategy for the internal works will be set out. The complications are that it is practical only for one person to work in the box at anyone time (this is despite the record for 12 adults and 2 children achieved in Edinburgh in August 2003). Also the door will need to be wedged open partially during any operations involving removal of flaking paint etc, the weather will again play a part although not to the same extent as the exterior.

### 2021/59 Shropshire Councillor Report – Gwilym Butler

Due to the Council being in the Purdah period due to the forthcoming election in Oswestry, there is no Shropshire Councillor report for November

### 2021/60 Declarations of Interest

None

### 2021/62 Clerks Report

#### Parish Highways Working Group

The group is working well, at the last meeting there was a long discussion on the Lengthsman scheme and how hopefully applying for the funding will become easier. There was going to be a demonstration last week "Fix my street 2 but unfortunately it wasn't quite ready, members of the group are going to be superusers to test it.

### **The Triangle**

Still awaiting quote from Andy Keyland for the kerbing works.

### **Bench**

A rough estimate of £100 for the materials for a base for the bench looks reasonable but the person who was possibly going to do the work can no longer do so. JT to ask a local contractor if they can help.

**2021/63**

### **Parish Matters**

- a) Another suggestion for the siting of the bench was the Play area, but this will still require the quote for the base that JT is going to investigate.
- b) The clerk to check if there are any poles on Parish Council land that we should be receiving wayleaves on.
- c) Clerk to chase SC about the footbridge repairs on the bridleway at Brookrow which was reported early on in the year.
- d) It has been brought to the attention of the Parish Council that the hedge by the Old Post Office needs cutting back as it is causing damage to vehicles as they drive past. Landowner to be informed.

**2021/64**

### **Parish Plan**

There has been a good response for volunteers to start up the Parish Plan Group again. 9 people have offered their help. As KS has been looking at the plan but is not at this meeting, KS to be asked to be involved with the group. Hopefully in the new year progress can be made on updating the plan.

**2021/65**
