9. PLANNING APPLICATIONS

19/02457/FUL | Erection of an affordable dwelling and detached garage; formation of access and installation of package treatment plant | Proposed Affordable Dwelling To The East Of Hints

The above application was discussed, and it was agreed to make the following

representation: The Parish Council would like to make the observation that the garage is very large compared to the size of the house. It appears to be out of proportion as it looks 2/3 of the size of the house. It was felt that the separate outside access up to the roof-space is not necessary and is lending itself to being used for another purpose.
