6. MATTERS ARISING FROM THE MINUTES

- a) Neighborhood Watch Scheme: There is a meeting on the 26th November, to Meet the coordinator and to find out how it all works. Hopefully will have some stickers and leaflets to hand out. It was suggested that the View Point maybe a good way of disseminating information, but they are too busy but we could use the printing facilities. It was suggested that a "Help wanted" poster be put on the notice boards. To contact the clerk if interested.
- b) To await which 4 capital projects have been given priority in Shropshire Councils programme for next year.
- c) Information on Razor Wire: The West Mercia Polices website states:
barbed wire, carpet gripper or broken glass are not advisable. These may cause serious injury, which the occupier could be legally responsible for. There are alternative preventative anti-climb toppings, such as safe plastic strips with rows of pointed cones on top, which make it difficult to grip the top of fences or walls, but will not cause injury. A warning sign may be required. Another quote states: Razor Wire is a very cost effective and highly visual solution to high security needs. When installed correctly razor wire is perfectly legal in the UK, **It is advised that razor wire is installed correctly over 1.8 metres in height (6') with appropriate signage.**

7. PARISH MATTERS

- a) LB and AS went to see the sound system at Knowbury Village Hall.
- b) The light in the Telephone box is not working, the bulb has gone. Clerk to email as ringing them has proven to be very difficult.

10. REPORT FROM LJC

Next meeting is the joint Chelmarsh and Cleobury LJC meeting in Highley at the Severn Centre on the 12th Jan, 2016. Then

11. REPORT FROM VILLAGE HALL
