

Annual Internal Audit Report 2022/23

CORELEY PARISH COUNCIL

www.coreley.org.uk

During the financial year ended 31 March 2023, this authority's internal auditor acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation and obtained appropriate evidence from the authority.

INTERNAL AUDIT REPORT 2022/23

To

Coreley Parish Council

I have carried out an internal audit in accordance with the Councils needs, and in line with the Internal Control Objectives listed in the annual return for Local Councils in England.

Internal Audit Opinion

In my opinion the internal controls in place were sufficient for the Council's purposes during 2022/23

Points to note

1. Petty Cash (internal control objective f)

The Council does not operate a petty cash account and hence it is not appropriate for this control objective to be included in the internal audit coverage.

2. Accounts

The council made a surplus in 2022/23 in the sum of £ 788.39

Income	£ 8,160.00
<u>Expenditure</u>	<u>£ 7,371.61</u>
<u>Surplus</u>	<u>£. 788.39</u>

3. The Council Reserves

The Council has several reserve funds as at 31st march 2023

General fund	£ 8,634.59
Parish plan fund	£ 80.16
Election fund	£ 400.00
Highways maintenance	£ 940.00
Community infrastructure levy	£ 484.95
<u>Total</u>	<u>£ 10,539.70</u>

These funds are held in the bank account :-

Balance 31/03/21	£ 10,683.66
Unpresented cheques	£ 143.96
<u>Total</u>	<u>£ 10,539.70</u>

The general fund balance is at a healthy level (more than the expenditure during 2022/23).

The Council should review the reserves and determine whether they meet the future needs of the council.
