7. PARISH MATTERS

a) George Cummings from The Friends of Clee Hill Forum has approached the Parish council about a proposal to put a path from the car park on Clee Hill to the Topograph, but apparently the Commoners Association has objected. Another suggestion was for it to be moved to the car park by Craven Place, but this would then put the Topograph out of line. The Parish council have no objection to any of the suggestions made as long as the Commoners Association agrees.

b) It has been brought to the attention of the Parish Council that the footpath that comes out between Falkners Fold and The Barn then crosses the road and into the field opposite that the access into the field is not in the right place, although it has been there many years.
