1. The County continue to roll out Vaccinations at various venues with the 50 yrs. group nearly completed. Levels of infection are slowing but it is just as important to continue all precautions as before as rules ease.
2. School's return has gone well with only the odd bump, many thanks to staff and volunteers working very hard to achieve the testing required
3. Home testing kits are still available at Cleobury Pharmacy or ring 119.
4. Health proposals have progressed with the amalgamation of Shropshire and Telford and Wrekin Clinical Commissioning Groups. Future Fit has now progressed into Integrated Care System as the County draws the different strands of Patient Care together.
5. Outpatient and Waiting Lists for treatment have resumed but there are still backlogs to overcome.
6. Unfortunately, highways repairs are still in difficulties please keep reporting defects to customerfirst or My Shropshire both as a Council and individually.

Efforts to improve the poor supply of rented properties continues hopefully we can continue to push on with these efforts. This is my last report as I am not seeking re-election.
