After a discussion on the income and expenditure for the year it was proposed and agreed that the amount of £7,278 be requested. It was felt the expenditure on Highway maintenance was a great benefit to the Parish and although an application for funding for £1,500 would be submitted it would have to be matched by the Parish Council if successful. If the bid is not successful the Parish Council agreed that these would still be done, so need to precept for them. The fence at the Play area is also
